Your Ref: **Quantity:** **Product Code: PS0029**
Our Ref: **Version: 1** **Product Colour: NATURAL**

PRINTING CONCERNS:

PRODUCT INFO: **Seed paper is a natural product and has some absorbent properties. This means that colour may not appear as vibrant when compared with other medium.**

As the surface is uneven, artwork should NOT include a solid flood of colour or complex photographic images as blank spots may appear either side of the seeds which are in the paper.

OPTIONAL SOWING INSTRUCTIONS

How to use seed paper
FEED BEES, BUTTERFLIES AND INSECTS WITH SEED PAPER

- Soak the paper in water and leave overnight.
- Place it on top of the earth and cover with some soil.
- Always keep the paper moist.
- Depending on the time of year, it should take only 7-10 days for the seeds to germinate

The dashed line is to demonstrate print area and will not appear on your printed item

PLEASE NOTE:

- *All colours including print and product are for visual purposes only and should not be regarded as the actual colour of the product and print.*
- *Some products may vary from batch to batch and may differ from previous orders.*
- *The colour and texture of a product can also have an effect on the final print colour.*
- *By approving this order we accept that you understand these terms.*

1. Your order will not go in to print and production time cannot be confirmed, unless artwork has been approved via the online system.
2. Once printed, artwork cannot be amended, mistakes must be rectified at visual stage.
3. Claims for faulty goods will be honoured, only if the goods are returned to us. We will not issue credits/refunds for items that have been distributed. Please ensure that goods are satisfactory before distribution
4. We are not responsible for delays during transit.

By approving this visual, you are confirming you have thoroughly checked all information, including layout, fonts, spelling, print colours, print size, print position, product, product colour and quantity.

To proceed, please approve visual via the online system.
