PLEASE NOTE:

- All colours including print and product are for visual purposes only and should not be regarded as the actual colour of the product and print.
- Some products may vary from batch to batch and may differ from previous orders.
- The colour and texture of a product can also have an effect on the final print colour.
- By approving this order we accept that you understand these terms.

1. Your order will not go in to print and production time cannot be confirmed, unless artwork has been approved via the online system.
2. Once printed, artwork cannot be amended, mistakes must be rectified at visual stage.
3. Claims for faulty goods will be honoured, only if the goods are returned to us. We will not issue credits/refunds for items that have been distributed. Please ensure that goods are satisfactory before distribution
4. We are not responsible for delays during transit.

By approving this visual, you are confirming you have thoroughly checked all information, including layout, fonts, spelling, print colours, print size, print position, product, product colour and quantity.

To proceed, please approve visual via the online system.

**Growing Instructions**

English Daisy - *Bellis perennis*  
Sow seeds from late spring to early summer outdoors in a sheltered, shady site in a well prepared seed bed about 6mm deep. Germination usually takes 14-21 days. Thin seedlings out to 10-15cm apart when they are large enough to handle and finally transplant to flowering site in autumn. Plant 23cm apart in sun or part shade for flowering the following spring. Alternatively can be sown directly outdoors in Autumn for flowering the following spring.
