The dashed line is to demonstrate print area and will not appear on your printed item

PLEASE NOTE:

- All colours including print and product are for visual purposes only and should not be regarded as the actual colour of the product and print.
  - Some products may vary from batch to batch and may differ from previous orders.
  - The colour and texture of a product can also have an effect on the final print colour.
  - By approving this order we accept that you understand these terms.
1. Your order will not go in to print and production time cannot be confirmed unless artwork has been approved via the online system.
  2. Once printed, artwork cannot be amended, mistakes must be rectified at visual stage.
  3. Claims for faulty goods will be honoured, only if the goods are returned to us. We will not issue credits/refunds for items that have been distributed. Please ensure that goods are satisfactory before distribution
  4. We are not responsible for delays during transit.

By approving this visual, you are confirming you have thoroughly checked all information, including layout, fonts, spelling, print colours, print size, print position, product, product colour and quantity.

To proceed, please approve visual via the online system

## SOWING INSTRUCTIONS (INSIDE LID)

Flower/ Vegetable/ Herb  
Place Cocopress peat free  
soil tablet in 30ml of warm water  
to produce 60cc of compost.  
Fill tin with compost, sprinkle  
a few seeds on the surface and  
cover with a little compost. Water  
regularly. When seedlings are  
large enough to handle  
transplant into larger  
pots or into the garden.
