ARTWORK SCALE 75%

**Instructions**  
 Sow seeds just below the surface of the soil/vermiculite mix and water sparingly. Water regularly but only enough to keep the soil moist. Do not overwater. When the seedlings are large enough to handle (4-6cm) they can be transplanted into pots or directly into the garden.

The dashed line is to demonstrate print area and will not appear on your printed item

**PLEASE NOTE:**

- All colours including print and product are for visual purposes only and should not be regarded as the actual colour of the product and print.
- Some products may vary from batch to batch and may differ from previous orders.
- The colour and texture of a product can also have an effect on the final print colour.
- By approving this order we accept that you understand these terms.

1. Your order will not go in to print and production time cannot be confirmed, unless artwork has been approved via the online system.
2. Once printed, artwork cannot be amended, mistakes must be rectified at visual stage.
3. Claims for faulty goods will be honoured, only if the goods are returned to us. We will not issue credits/refunds for items that have been distributed. Please ensure that goods are satisfactory before distribution
4. We are not responsible for delays during transit.

**By approving this visual, you are confirming you have thoroughly checked all information, including layout, fonts, spelling, print colours, print size, print position, product, product colour and quantity.**

To proceed, please approve visual via the online system.
